In memory of Professor M. Cherif Bassiouni:

It is with great sadness that we learned of the passing of Professor M. Cherif Bassiouni earlier this week. The world has lost a leading figure of international justice, and a global fighter for good. He leaves a deep and indelible impression on the work of all those who serve in human rights law and international criminal law, and has created the standard for excellence, intellect and passion for others who may follow in his path.

Professor Bassiouni brought invaluable guidance as member of the PMI IMPACT Expert Council, for which we are grateful and by which we are humbled.
